Education

Kennesaw State University

Spring, 2022

-Dean's List Recipient

Bachelor of Fine Arts in Digital Animation

Spring, 2022

-Trained under two Floyd County Production professionals, one whom taught me how to have fun when I draw, the other what my art was worth

-Designed a 3D render and texture through Autodesk Maya

Minor in Film Studies

Fall, 2020

-Film Genres and Movements: Horror, with specific focus on the Haunted House and infection (Zombie-esque) style films

-Topics in World Cinema: East Asian Cinema including Hong Kong action cinema, Korean action and horror movies, and Chinese revolution films started due to work conditions to the point of self-immolation

Experience

Virtual Animation Senior Capstone "Trapped"

Spring, 2022

- Roughs, Storyboards, Backgrounds, Character Designs

- Submitted into Spring Film Festival 2020

KSU Animation Studio Society Member

Spring, 2018-Present

-Through the KSU Animation Studio Society, I learned how to grow as a presenter and as a critic, becoming someone to come to for advice on art

-Learned how to set up an artist alley booth

KSU Spring Art Festival Volunteer

Spring, 2022

-Organized the sign-in for the Artist Alley and directed stray visitors to the Spring Art Festival from the campus

Bio

I'm a professional animator and editor from Douglasville, GA. Animation has a beat, a rhythm you can trace to any number of songs and I hope to bring that rhythmic quality to my work. You can usually catch me in theatres, playing video games, or listening to the latest rap albums
