

1. Head to <https://www.gradescope.com/> and click on the login button.

2. Enter your student email address and password. A temporary one will be given when your account is first made.

3. Now you should be able to see your courses, listed by semester and year.

4. Click on the course that you are currently taking. Note that it doesn't have to be 1321.

The screenshot shows the Gradescope user interface. On the left, there is a sidebar with the Gradescope logo and a 'Your Courses' section. The main content area displays 'Student Courses'. A course card for 'CSE 1321 - Spring 2019' is highlighted with a red circle. Below this card is a button that says '+ Add a course'. At the bottom of the page, there is a teal navigation bar with an 'Account' link and buttons for 'Enroll in Course' and 'Create Course +'. The URL in the browser is <https://www.gradescope.com/account>.

5. This will take you to a page that has all assignments currently available listed, otherwise known as the course dashboard.

The screenshot shows the Gradescope course dashboard for 'CSE 1321 - Spring 2019'. The page has a teal header with the course name and semester. Below the header is a table of assignments. The first assignment, 'Assignment 1 - Pseudocode', is listed with a status of 'Submitted' and a progress bar. The due date is 'JAN 20 AT 11:59PM'. On the left sidebar, there is a list of instructors: Kirk Inman, Svetlana Dimova, Mokler Hossain, Kaleigh Kendrick, Douglas Malcolm, Dexter Howard, and Jeff Chastine. The URL in the browser is <https://www.gradescope.com/courses/36881>.

NAME	STATUS	RELEASED	DUE (EST)
Assignment 1 - Pseudocode	Submitted	JAN 14	5 days, 3 hours left JAN 20 AT 11:59PM

6. Click on the assignment name in order to upload your solution.

The screenshot shows the Gradescope interface for a course titled 'CSE 1321 - Spring 2019'. On the left, there is a sidebar with navigation options like 'Dashboard' and 'Regrade Requests'. The main area displays a table of assignments. The first row is 'Assignment 1 - Pseudocode', which is circled in red. Its status is 'Submitted' and it was released on 'JAN 14'. A progress bar indicates that 5 days and 3 hours are left until the due date of 'JAN 20 AT 11:59PM'. Below the table, there is a list of instructors: Kirk Inman, Svetlana Dimova, Mokter Hossain, and Kaleigh Kendrick.

7. Either drag and drop your solution or click on the middle box (the one that says drag and drop) to browse your computer's files and select your solution through another pop-up menu.

The image shows two overlapping windows. The top window is titled 'Submit Programming Assignment' and has a green header with the text 'Upload all files for your submission'. Below this, it says 'SUBMISSION METHOD' and 'Upload'. A large dashed box contains the text 'DRAG & DROP Any file(s) including .zip. Click to browse.' This box is circled in red. At the bottom of this window are 'Upload' and 'Cancel' buttons. The bottom window is a Windows File Explorer window titled 'Open' showing the 'Documents' folder. It contains a list of files and folders with columns for Name, Date modified, Type, and Size. The files listed include 'Kevin_Markley_Exam3.pdf', 'List_of_Helpful_Videos.txt', and 'Markley_PseudoCode_Methods.txt'. The 'File name' field is empty, and the file type is set to 'All files (*.*)'. The 'Open' and 'Cancel' buttons are visible at the bottom of the file explorer.

- Click on the upload button, after making sure that the file name is correct.

The screenshot shows a web interface for submitting a programming assignment. At the top, the title is "Submit Programming Assignment". Below the title is a teal banner with the text "Upload all files for your submission". Underneath, the "SUBMISSION METHOD" section shows "Upload" as the selected option. A message says "Add files via Drag & Drop or Browse Files." Below this is a table with columns for "NAME", "SIZE", and "PROGRESS", along with a close button "x". One file is listed: "Name_Assignment1_Solution.pdf" with a size of "0.8 MB" and a progress bar. At the bottom, there are two buttons: "Upload" (teal) and "Cancel" (red).

- Once the upload is complete, you will get a confirmation message.

The screenshot shows a confirmation message box. The main heading is "Assignment 1 - Pseudocode submitted successfully!". Below this, it says "You can resubmit your work until the due date (Jan 20)." and "Once graded, you will be able to see the grading rubric, and you will have the option to submit a regrade request." At the bottom, there is a "Close" button with a close icon.

- Close that and you are done.
