Tutoring: Tutoring with KNACK at the Coles College of Business

Coles College of Business is partnered with Knack, the fastest growing peer learning platform for college students, focused on helping students like you succeed in the classroom, and beyond.

The platform operates like Uber, allowing students in need of tutoring services to book sessions on-demand from verified Kennesaw peer tutors who have previously aced the exact courses they are offering assistance in. Through the partnership, we're also providing high-achieving students the opportunity to become verified Kennesaw Peer Tutors on Knack

Career Coaching: Introducing Our New Career Coaches!

One of the most unique resources at Coles College of Business is that every undergraduate student has access to dynamic career coaching! While enrolled in BUSA 2150, students can take advantage of optional career coaching with their instructor. In BUSA 3150, students are required to meet with their CIA (Career and Internship Advisor). Lastly, in BUSA 4150, students have a mandatory meeting with their Career Coach. Career Coaches are successful professionals in the industry respective to the major they coach.

Nancy Ford (Accounting) and Carolyn Parris-Foster (Management, Entrepreneurship, and Hospitality Management) are returning this spring. Additionally, there are 5 new coaches: Nick Suppiah (Information Systems); Fred Masci (Accounting); Amy Sleep (Marketing, Professional Sales, International Business); Glenn Chamberlain (Information Security and Assurance); and Russell Spears (Economics & Quantitative Analysis, Finance). It's never too early to start thinking about how you'd like to maximize your career coaching at Coles.
