Career Coaches

Coles College career coaches spend most of their time focused on their BUSA 4150 students. They've also been so generous to help with the videos for each major highlighted in BUSA 2150. These videos give students who've yet to apply to Coles College an idea of career outlooks and provide best practices connected to their major.

Dr. Carolyn Foster

Pictured is Dr. Carolyn Foster, the career coach for Leven School majors, being filmed for the latest version of major videos which are scheduled to release this fall semester. Thank you, coaches!
