

Introducing our new CMA Exam Review.

As a strategic partner of the IMA and the leading CPA Exam prep brand that's been trusted for more than 60 years, we bring you a new CMA Exam Review experience. Our signature exam prep offering features a brand new suite of tools for mastering the exam.

Since no two people learn the same exact way, we're introducing Adapt2U Technology. This innovative tool constantly accesses your knowledge as you prep, so you can focus on the areas where you need the most help. Here's what else users can expect:

NEW CONTENT +

Brand new textbooks, MCQs, essay questions and simulated exams that mirror the latest exam experience. All with the quality you expect from Becker.

INTUITIVE USER EXPERIENCE +

Updated user experience based on Becker's highly acclaimed CPA preparation software platform. The new format provides an organized learning experience with an intuitive and user-friendly navigation.

INDUSTRY-LEADING INSTRUCTION +

Instructors with decades of real-world experience that translate into real-life application.

THE CMA: THREE KEY ADVANTAGES +

It's the global benchmark for management accountants and financial professionals.

It enables your team to grasp practical applications in finance, including strategic thinking, leadership, planning, budgeting and forecasting.

It allows you to create a team of trusted advisors and helps unlock their true potential.

Featuring two new packages.

For every student, every professional and every possibility.
