Department:	English – Undergraduate
Program:	Linguistics, Minor

Program Student Learning Outcomes

Upon completion of this degree from KSU, students will be able to:

1. Analyze the various uses of language within multiple contexts, including politics, literature, cultures, and education.
2. Examine and apply various sociolinguistic principles to multiple contexts, including politics, literature, cultures, and education.
3. Examine the form, function, and use of the English language through analysis of Standard English and vernacular grammars and grammatical structures.
