

Program Information

College:	Southern Poly. College of Eng. & Eng. Technology
Department:	Robotics and Mechatronics Engineering
Program:	Intelligent Robotic Systems, MS

Program Student Learning Outcomes

Upon completion of this degree from KSU, students will be able to:

1. Apply mathematics to advanced robotics-engineering-related problems;
2. Design and perform simulations as well as analyze and interpret the results;
3. Exhibit an ability to identify, formulate and solve advanced robotics engineering problems;
4. Communicate in oral, written, and multi-media formats
