*Note: For the initial report and each report thereafter, institutions should use data suppression and other methodologies to protect the personally identifiable information from student education records consistent with the Family Educational Rights and Privacy Act (20 U.S.C. 1232 (<https://www.govinfo.gov/link/uscode/20/1232?type=usc&year=mostrecent&link-type=html>);34 CFRpart 99 (/select-citation/2020/08/31/34-CFR-99)). This means that if the total number of eligible students or the total number of students who received Emergency Financial Aid Grants is less than 10, but not 0, then the institution must display the total number of students eligible and/or the total number of students who received Emergency Financial Aid Grants as less than 10 (“< 10”) on the publicly available websites controlled by the institution.
