

## OneUSG Connect: Employee Self-Service

**Starting on March 25, 2018** all employees use the OneUSG Connect system to *request use of paid leave and to access, review and update personal information including direct deposit, paystubs and benefits. Non-exempt employees also use the system to record and submit time worked.*

### There are many benefits of using OneUSG Connect:

- It is easy to use and will automate current manual HR, benefits, and payroll processes.
- Mobile friendly, which will allow employees to submit and/or approve absences on the go.
- It delivers faster and more efficient responses to handle issues or answer questions, which will be available through the USG Shared Service Center's centralized support.
- Single Sign-On using your KSU NetID and Password.

The Employee Self-Service allows you to submit *Leave Requests*, view and update your personal information, and submit your timesheets. The following will give you a brief overview of the *Employee Self Service* home page and how to perform certain actions:

### Logging In to OneUSG Connect

When you first log in to OneUSG connect, you can use any browser, except for Microsoft Edge.

1. Navigate to <http://oneusgconnect.usg.edu/>.
2. From the *USG Faculty & Staff Portal*, on the bottom right-hand side, click **OneUSG Connect**.

Figure 1 - USG Faculty & Staff Portal

- From the *USG Single Sign-on Authentication* screen, choose your **USG SSO Authentication** (the KSU logo).

**Note:** You can tell it to **Remember my choice**.

Figure 2 - USG Single Sign-on Authentication

- Log in using your **KSU NetID** and **Password** (See Figure 3).
- Click **Login** (See Figure 3).

  12. **Forms** – Future space for KSU forms (See Figure 5).
  13. **Help** – opens up a new tab that will take you directly to an area to request help (See Figure 5).

## Time & Absence

This tile allows you to review and submit your time, as well as review and submit your leave requests. The way we now report our time and leave is slightly different. All employees must now request leave/absences through [Request Absence](#).

*Exempt benefited employees* will only need to report time not worked, such as leave, and **WILL NOT** submit a timecard for time worked. *Non-exempt employees* will report their time during a bi-weekly pay period through one of four ways: 1) [Time Clock](#); 2) [Web Clock](#); 3) [Punch Timesheet](#); or 4) [Elapsed Timesheet](#).

**Important:** Part-time Faculty **must** to submit ACA hours on a “timesheet”.

**Note:** How you submit your time has already been determined by your department, so you should speak with your manager if you are unsure how you are submitting your time.

Once your time has been recorded, you will then submit it for approval to your supervisor. The following will show you examples of each way to submit time for *Non-Exempt Employees*:

### Time Clock

You may be required to report your time using a Kaba Timeclock:

Figure 6 - Time Clock

## Web Clock

You may have to punch in an out through a web clock within OneUSG Connect:

The screenshot shows the 'Web Clock' interface. At the top, it displays 'Employee Employ' as 'Student Assistant' and 'Employee ID' as a redacted field. Below this, 'Your Last Recorded Punch' shows 'Out at 1:35:19PM'. The 'Enter Punch' section includes a dropdown for '\*Punch Type' set to 'In', a 'Time Zone' dropdown set to 'EST', and a button labeled 'Enter Punch'. A 'Time Reporting Elements' section also has an 'Enter Punch' button. At the bottom, there is a link for 'View Holiday Schedule'.

Figure 7 - Web Clock

## Punch Timesheet

Another option is recording your in and out time through a Punch Timesheet:

The screenshot shows the 'Punch Timesheet' interface. It includes a header with 'Time' and 'Timesheet' tabs. The main area displays 'Timesheet' for a 'Student Assistant' with 'Employee ID' redacted. It shows 'Total Reported Hours' as 0.00 and 'Reported Hours' as 0.00. Below this is a grid for reporting hours from 02/25/2018 to 03/03/2018. The grid has columns for 'Day', 'Date', 'Reported Status', 'In', 'Lunch', 'In', 'Out', 'Punch Total', 'Time Reporting Code', and 'Quantity Date'. The 'Wed 2/28' row is highlighted with specific times: 10:00 AM for In, 12:00 PM for Lunch, 1:00 PM for In, and 5:00 PM for Out. Below the grid are 'Submit' and 'Clear' buttons. At the bottom, there is a 'Reported Time Summary' table with columns for 'Total', 'Sun 2/25', 'Mon 2/26', 'Tue 2/27', 'Wed 2/28', 'Thu 3/1', 'Fri 3/2', and 'Sat 3/3'. The 'Total Reported Hours' row shows values for each day, with 'Total' being 0.00.

## Request Absence

The *Request Absence* option can be used to request future leave, such as vacation, and leave that you took in the past, such as sick time. This section will show you how to Request an Absence. To do this:

**Note:** There is no longer a need to submit an Employee Leave Adjustment form to record leave taken that was not recorded in the system before approvals took place at the end of the pay period. You can just submit your leave through OneUSG Connect before the period closes. Please make sure that you submit the request as early as possible.

1. From the *Employee Self Service Home Page*, click the tile for **Time and Absence**.

Figure 10 - Click Time and Absence

- From the list of options, select **Request Absence**.

Figure 11 - Select Request Absence

**Note:** Keep in mind that your list of options may be different than what you see here, as these options are for an Exempt employee.

- Click the **drop-down** next to *Absence Type*. In this example, we will select **Sick**.

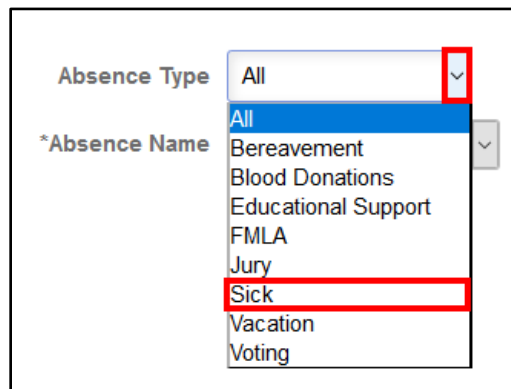

Figure 12 - Select Absence Type

- Select the **drop-down** next to *Absence Name*. In this example, we will select **Sick Leave**.

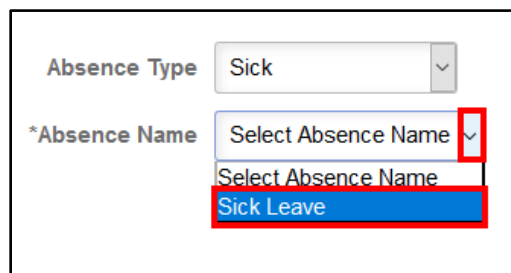

Figure 13 - Select Absence Name

5. Fill out the appropriate **information** (start & end dates, duration, etc.) (See Figure 14).
6. Click **Submit** (See Figure 14).

The screenshot shows a web form titled "Request Absence". At the top right, there are navigation icons (home, search, menu) and a refresh icon. The form fields are: "Absence Type" (Sick), "\*Absence Name" (Sick Leave), "\*Start Date" (03/05/2018), "End Date", "Original Start Date", "Duration" (8 Hours), "Partial Days" (None), and "Comments". A red box highlights the "Submit" button, and another red box highlights the form fields. A red circle with the number "5" is next to the form fields, and a red circle with the number "6" is next to the "Submit" button.

Figure 14 - Enter Request Absence Information & Submit

7. Your request will now be submitted for approval to your supervisor.  
**Note:** You will need to click on Partial Days if the request does not include consistent hours for each day. (Ex: vacation request for Wednesday-Friday, but will work Wednesday morning and leave at lunch.)

**Note:** You will need to click on Partial Days if the request does not include consistent hours for each day. (Ex: Vacation request for Wednesday-Friday, but you will work Wednesday morning and leave at lunch.)

## Monthly Schedule

It is very important that when you first log in to OneUSG Connect, that you go and check out your *Monthly Schedule* to make sure it is correct. To access your *Monthly Schedule*:

1. Click on the **Monthly Schedule** Tile from the *Employee Self Service* home page.

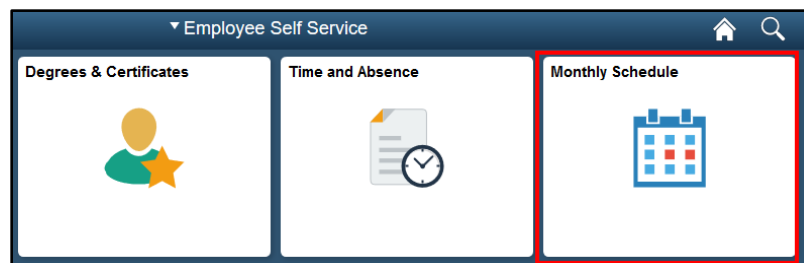

Figure 15 - Click the Monthly Schedule Tile

- You can now view your monthly schedule, which will also show you any planned vacation or holidays that you have off work.

**Note:** Any requests to change your schedule should be emailed to your supervisor who has the ability to update your approved schedule changes.

**Note:** Monthly schedule will be populated 8-5 automatically, if it is incorrect, the supervisor needs to be notified, so they can make the change.

**Note:** There is no limit on how far in advance you can request time off.

## Help

When you click on the Help Tile from the *Employee Self Service Home* page, you will be taken here, where you can submit a ticket:

The screenshot shows the Shared Services Center website for the University System of Georgia. The header includes the university logo and name, a search bar, and navigation links for USG INSTITUTIONS, INFORMATION FOR, POLICIES & REPORTS, DIVISIONS, and ABOUT. A red 'GIVE' button and social media icons are also present. The main content area features a blue banner for the Shared Services Center, followed by a sidebar with links to Home, About the SSC, Employee Services, and Practitioner Services. The main heading is 'Submit a ServiceNow Ticket'. Below this, there is a 'Self Service Training' section with three bullet points: 'Employee Self Service: How-To Videos and Job Aids', 'Faculty Data Self Service: How-To Videos and Job Aids', and 'Manager Self Service: How-To Videos and Job Aids'. At the bottom, there is a form with three input fields: 'Employee Name', 'Business Email', and 'Institution'.

Figure 17 - Submit a Service Ticket

**Note:** Tickets are being handled via Shared Services and not a KSU employee. You should first utilize your KSU resources.

## Logging Out

**Note: DO NOT** just close the browser. Errors can occur that could possibly lock you out of future sessions. To log out:

1. Click on the **menu icon** (See Figure 18).
2. Click **Sign Out** (See Figure 18).

## Tips & Best Practices

There are a few things that you need to keep in mind when using OneUSG Connect. The following are some best practices:

- **DO NOT** click the Back button on your Browser (Chrome). Please use the navigation at the top.

- Always make sure to check your schedule in the system.
- Make sure that you Click on the menu, and actually Sign out. **DO NOT** just close the browser.
- Can use any Internet Browser, except Microsoft Edge.
