

Course Attribute Dashboard- Review Guide

A dashboard user with a Reviewer role has view-only access to courses. This role is intended for any faculty or staff who should be able to view course attributes for course sections but cannot request changes to the existing attributes. The reviewer role allows the user to access courses in the Courses to Review section of the dashboard Course List page.

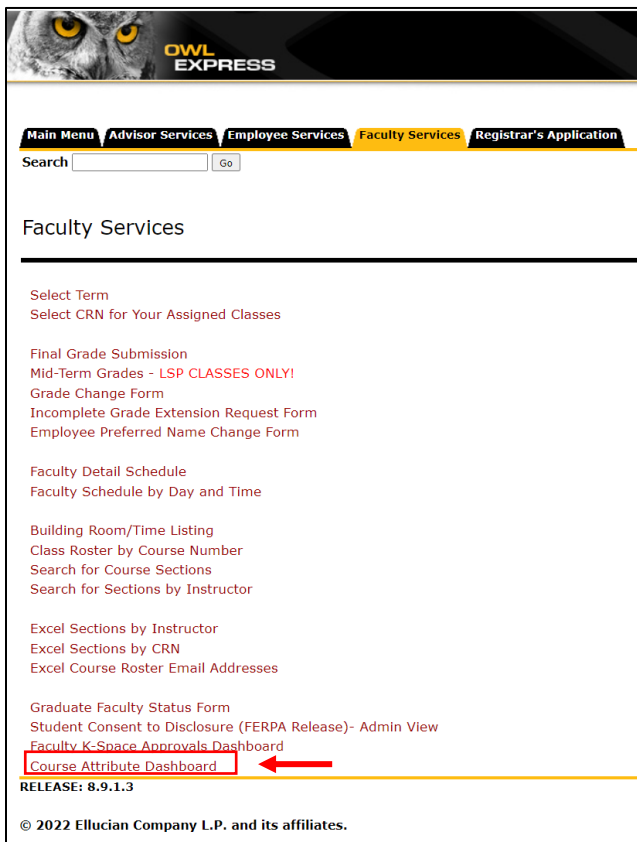

As a Reviewer, the dashboard user selects a term to process, selects courses to view, and reviews the course details and current course attributes.

Accessing the Dashboard

1. Navigate to Owl Express: <https://owlexpress.kennesaw.edu/>
2. Select the “Faculty Services” or “Schedule Builder Tab

3. Select “Course Attribute Dashboard”

Using the Dashboard as a Reviewer

1. Select term to process

On the Course Attribute Dashboard - Select a Term page, select a term to process. The dropdown term list will only display current or future terms.

Click Submit to see the Course Attribute Dashboard - Course List page.
