

Kennesaw State University and Ogeechee Technical College
TRANSFER ARTICULATION AGREEMENT
Cybersecurity Associate of Applied Science Degree (CY13)

This Articulation Agreement is entered into between Kennesaw State University, a unit in the University System of Georgia, and Ogeechee Technical College, a unit in the Technical College System of Georgia, to facilitate the process for the transfer of credit between the institutions, continue educational progress toward the completion of an approved degree program, and to minimize or avoid the loss of credit previously earned by a student who transfers to another institution.

This Agreement reflects a commitment by both institutions to facilitate the transfer of credits earned in the Cybersecurity Associate of Applied Science Degree (CY13) into the Bachelor of Science in Cybersecurity eMajor degree program without jeopardizing the intended mission and stated goals of either institution. This Agreement acknowledges that each institution has established, and will maintain, rigorous standards and expectations for all students enrolled in and working toward the completion of its courses, programs, and degrees.

Agreement on Transfer of Cybersecurity Associate of Applied Science Degree (CY13)

Kennesaw State University and Ogeechee Technical College agree to cooperate through a transfer articulation agreement for students attaining Cybersecurity Associate of Applied Science Degree (CY13). In addition to courses included in any University System of Georgia and Technical College System of Georgia agreements in effect at the time, Kennesaw State University agrees to accept all Cybersecurity Associate of Applied Science Degree (CY13) courses listed in the Appendix for transfer into Kennesaw State University (required grade of "C" or better). Admission into Kennesaw State University's Bachelor of Science in Cybersecurity eMajor program also requires meeting Areas A-F and the program's admissions requirements in effect for the applicable semester. Please refer to the academic catalog for program admissions requirements.

Agreement of Communication

Kennesaw State University and Ogeechee Technical College agree to cooperate in communicating with each other concerning the articulation relationship between the two institutions. Communications may include common publications and announcements concerning their affiliation. Announcements of this articulation, and of changes in the relationship, will have a coordinated release to the public from both institutions. The institutions will encourage the dissemination of information about programs in this agreement with interested and qualified students, with both institutions providing advising and counseling to prospective students.

The development of this Agreement between Kennesaw State University and Ogeechee Technical College signifies that both have confirmed that:

- Each institution is currently in good standing with its state regulatory body and institutional accrediting body;
- Credits awarded by the institutions have been evaluated and determined to be eligible for transfer; and
- Credits earned in Ogeechee Technical College 's Cybersecurity Associate of Applied Science Degree (CY13) have been deemed appropriate and applicable to transfer to KSU.

Agreement on Maintenance and Review

At least one administrative and/or faculty member will be appointed from each participating college/university to act as a primary point of contact and agent for this agreement, to speak for the institution, and to communicate details and modifications to respective faculty, advisors, and others with interest at the individual institutions. Both parties agree to inform the other regarding curriculum changes that may impact the terms of this Agreement.

This agreement will be in effect for at least three years from the date of administrative endorsement. Renewal of transfer plans with appropriate content changes will be done on an annual basis. It will be automatically renewed unless one of the parties expresses, in writing, its desire to terminate the agreement giving six months or more notification with effective date to be the last day of an academic term.
