TTMIK's Grammar Textbooks, as well as their other content, are amazing. This book is highly informative and explains things substantially well. It is very easy to follow along with and to understand. The layout of the book itself if well designed, it's simple yet fun, mixed with illustrations and exercises for each topic. And not to mention the audio files that help comprehend how a native Korean speaks, it helps train your mind and ears to hear what you've been learning.

I'm so glad that I found TTMIK. I definitely wouldn't be at the stage I am today without them.

I can't recommend this book, and the next, enough. Honestly, whether you're a beginner or further along, these books are great to either get an illuminating and smooth start, or as just a round up or recap of topics you might already have an understanding of.

I also really appreciate the little blogs in the Grammar Textbooks. It's a nice touch to get a recipe here, or information about a location there. It gives the TTMIK'ers insight into other aspects of Korea, beside their written and spoken language.

Thanks for the fantastic work TTMIK staff. 수고하세요. 🙏🏻

Second time buying a photocard binder from this shop and it's just as cute as the first one I got! It comes with so many pockets to start out and I also bought some of the two pocket additions for my larger items like my concert BTS photocards (you do have to turn them horizontally tho). It's really great quality and the shipping is quick! Highly recommend these for any KPOP collector! 😊❤️

This is perfect for photo-cards and Polaroids! Anything bigger than that may not fit though. I did message the owner and asked them more about the sleeves and they said that the sleeves are made of PP and are PVC free and acid free. Shipping was extremely fast and they got back to me right away when I messaged them. Great service overall and a great product!

Hey Ahna!

Either of those dates should work for Woodstock City. I talked to our building manager and he said the cost to use the space would be between \$1000-\$1500 depending on if we would need to contract out multiple production staff for the event.

Let me know if you want to land on April 1st or 15th and then I will connect you with our building manager so you can talk details for the event!
